Encourage a student in your network to apply for a TC Energy Scholarship

Subject: Apply for a TC Energy scholarship by May 3!

Hello [insert name],

The TC Energy scholarship program for 2024 is now open, and as someone who knows your potential and dedication, I believe you would be an excellent candidate!

TC Energy is offering 880 scholarships, valued at up to \$5,000 each, to students living in communities that host their projects across Canada, the U.S., and Mexico. This program is designed to support the next generation of community leaders by investing in their education and training to build a strong and skilled workforce for the future.

To be eligible for a TC Energy scholarship, you must meet the following requirements:

- Be enrolled in a post-secondary institution for the upcoming academic year
- Be a citizen or permanent resident of Canada, the U.S. or Mexico
- Be located in a community near TC Energy's operations or projects
- Would benefit from supplementary education funding

For more information about the categories of scholarships available or to apply for a scholarship, visit [TCEnergy.com/Scholarships](https://www.tcenergy.com/Scholarships). Applications are open now until **May 3, 2024**.

Quick tips for applying

- As scholarships are available in Canada, the U.S. and Mexico, ensure you are on the correct country page when applying.
- You cannot edit your application once it has been submitted, so take your time.
- If selected, you will need to provide proof of mailing address for the cheque to be delivered to and proof of enrolment in a registered educational institute to receive your scholarship.
- Make sure to provide a working phone number and email address in your application so that you can be contacted if you are selected for a scholarship.

Let's seize this opportunity together and invest in your bright future. Good luck with your application!
