

Susan C. Jones

Ms. Jones is a corporate director. She is currently a director of Canadian National Railway Company (freight railway), since May 2022.

Ms. Jones retired from her Executive Leadership role at Nutrien at the end of 2019 after 15 years with the company. While at Nutrien, she held a variety of roles between September 2004 to December 2019, including Executive Vice-President and CEO of the Potash Business Unit of Nutrien (largest global underground soft-rock miner), Executive Vice-President and President of the Phosphate Business Unit; Chief Legal Officer; Business Development and Strategy; Managing Director of the European Distribution Business; and Vice-President of Wholesale Sales, Marketing and Logistics.

She previously served on the boards of Arc Resources Ltd. (and predecessor company), Piedmont Lithium Limited and Gibson Energy Inc.

Ms. Jones was named the Osler Purdy Crawford Deal Maker of the Year 2017 at the Canadian General Counsel Awards for her role in the merger of Agrium and Potash Corporation of Saskatchewan. She has served on the United Way and the Canadian Bar Association.

Ms. Jones holds a Bachelor of Arts Degree in Political Science and Hispanic Studies from the University of Victoria as well as a Bachelor of Laws Degree from the University of Ottawa. She also earned a Leadership Diploma from the University of Oxford and holds a Director Certificate from Harvard University.

TC ENERGY

We're a team of 7,000+ energy problem solvers working to move, generate and store the energy North America relies on. Today, we're taking action to make that energy more sustainable and more secure. We're innovating and modernizing to reduce emissions from our business. And, we're delivering new energy solutions – from natural gas and renewables to carbon capture and hydrogen – to help other businesses and industries decarbonize too.

TC Energy's common shares trade on the Toronto (TSX) and New York (NYSE) stock exchanges under the symbol TRP. To learn more, visit us at [TCEnergy.com](https://www.tcenenergy.com).
