

TC Energy in British Columbia.

TC Energy and its affiliates deliver the energy millions of people rely on every day to power their lives and fuel industry. Focused on what we do and how we do it, we are guided by core values of safety, responsibility, collaboration and integrity. Our more than 7,000 people are committed to sustainably developing and operating pipeline, power generation and energy storage facilities across Canada, the U.S. and Mexico.

With our presence across the continent, we also support jobs and generate long-term economic opportunities. Our people play an active role in building healthy, vibrant and prosperous communities. We're proud of how our hard work and commitment sets us apart and benefits society, every day. Visit [TCEnergy.com](https://www.tchenergy.com) and [connect with us on social media](#) to learn more.
