Steven Williams

Mr. Williams is a corporate director. Prior to his retirement from Suncor Energy Inc., he previously held the position of Chief Executive Officer (since November 2018) and prior to that, President and Chief Executive Officer and Director, since May 2012. He also serves on the board of directors of Alcoa Corporation (aluminum manufacturing) and is a former Board member of the Business Council of Canada.

Mr. Williams has also held the positions of President and Chief Operating Officer from December 2011 to April 2012, Chief Operating Officer from April 2007 to November 2011, Executive Vice-President Oilsands from July 2003 to March 2007 and Executive Vice-President, Corporate Development and Chief Financial Officer from May 2002 to June 2003 with Suncor Energy Inc.

Mr. Williams has more than 40 years of international energy industry experience and is an active supporter of not-for-profit organizations. In 2005 he was appointed to the National Round Table on the Environment and the Economy by the Prime Minister of Canada. He has also been a member of the advisory board of Canada's Ecofiscal Commission since its inception. In addition, he is one of 12 founding Chief Executive Officers of Canada's Oil Sands Innovation Alliance and attended the 2015 United Nations Climate Change Conference in Paris, France as an official member of the Government of Canada.

Mr. Williams holds a Bachelor of Science Degree (Honours) in chemical engineering from Exeter University and is a Fellow of the Institution of Chemical Engineers. He is also a graduate of the business economics program at Oxford University and the advanced management program at Harvard business School.
