

Scott Bonham

Scott Bonham is a corporate director. Since 2016 he has served on the boards of Loblaw Companies Limited (retail grocery) and The Bank of Nova Scotia (chartered bank). He also previously served on the board of Magna International Inc. (manufacturing, auto parts) from May 2012 until May 2021, and currently serves in an executive advisory role.

He is a co-founder of Intentional Capital, a privately-held real estate asset management company. From 2000 to 2015, he was co-founder of GGV Capital, an expansion stage venture capital firm with investments in the U.S. and China. Prior to GGV Capital, he served as a Vice President of the Capital Group Companies and previously held marketing roles at Silicon Graphics.

Mr. Bonham is also a board member of the Canadian Institute for Advanced Research and the DenmarkBridge, an initiative connecting Danish companies to Silicon Valley.

Mr. Bonham has a Bachelor of Science in electrical engineering from Queen's University and a Masters of Business Administration from Harvard Business School.

INDEPENDENT

TC ENERGY

We're a team of 6,500+ energy problem solvers connecting the world to the energy it needs. Our extensive network of natural gas infrastructure assets is one-of-a-kind. We seamlessly move, generate and store energy and deliver it to where it is needed most, to homes and businesses in North America and across the globe through LNG exports. Our natural gas assets are complemented by our strategic ownership and low-risk investments in power generation.

TC Energy's common shares trade on the Toronto (TSX) and New York (NYSE) stock exchanges under the symbol TRP. To learn more, visit us at [TCEnergy.com](https://www.tcenenergy.com).
