

David Brast

President, U.S. Natural Gas Pipelines

As President, U.S. Natural Gas Pipelines, Mr. Brast is responsible for all regulatory, commercial and operational matters across the company's U.S. regulated natural gas transmission and storage business. He is based in Houston, Texas.

Mr. Brast joined TC Energy in August 2022 as Senior Vice-President, Commercial, USNG, where he led the U.S. Natural Gas pipeline system's Commercial division, including Commercial Operations, Business Development, Marketing, Rates & Regulatory, Strategy and Joint Ventures.

Mr. Brast's diverse background includes extensive global experience across the energy industry in origination, trading, operations, retail energy, renewables and risk management. Before joining TC Energy, Mr. Brast held the position of Senior Vice-President of North America Power and Gas at Direct Energy, a subsidiary of NRG Energy. Previously, Mr. Brast served as Head of the West Region and led the strategic turnaround of Direct Energy's Canadian business.

Prior to joining Direct Energy, Mr. Brast served as Senior Vice-President, Business Segments for NRG Energy, where he led commercial, large industrial and small business retail electricity sales across Texas and the Northeast. He also served as Senior Vice-President, Commercial Operations at Reliant Energy, where he was responsible for all commercial activities for the 14,600 MW generation fleet. Prior to Reliant, Mr. Brast held various commercial and risk management roles at Enron.

Mr. Brast holds a Bachelor's degree in Finance and Accounting from Texas A&M University.

TC ENERGY

We're a team of 7,000+ energy problem solvers working to move, generate and store the energy North America relies on. Today, we're taking action to make that energy more sustainable and more secure. We're innovating and modernizing to reduce emissions from our business. And, we're delivering new energy solutions – from natural gas and renewables to carbon capture and hydrogen – to help other businesses and industries decarbonize too.

TC Energy's common shares trade on the Toronto (TSX) and New York (NYSE) stock exchanges under the symbol TRP. To learn more, visit us at [TCEnergy.com](https://www.tccenergy.com).
