

Annesley Wallace

Executive Vice-President, Strategy, Corporate Development and Energy Transition Planning

Ms. Wallace is Executive Vice-President, Strategy, Corporate Development and Energy Transition Planning. In her role, Ms. Wallace is responsible for leading and executing TC Energy's corporate development activities, capital allocation and corporate strategy.

Before joining TC Energy in May of 2023, Ms. Wallace served as Executive Vice-President and Global Head of Infrastructure at OMERS, overseeing a global team and portfolio of approximately C\$34 billion in assets across sectors including energy, digital, transportation and government-regulated services. Prior to this, Ms. Wallace was Vice-President, Operations at SNC-Lavalin, focused on engineering, procurement, project controls and project management for their energy and infrastructure business.

Ms. Wallace holds a Bachelor of Science and Master of Science in Engineering from Queen's University, and a Master of Business Administration from the Schulich School of Business, York University.

TC ENERGY

We're a team of 7,000+ energy problem solvers working to move, generate and store the energy North America relies on. Today, we're taking action to make that energy more sustainable and more secure. We're innovating and modernizing to reduce emissions from our business. And, we're delivering new energy solutions – from natural gas and renewables to carbon capture and hydrogen – to help other businesses and industries decarbonize too.

TC Energy's common shares trade on the Toronto (TSX) and New York (NYSE) stock exchanges under the symbol TRP. To learn more, visit us at [TCEnergy.com](https://www.tceenergy.com).
