

## Sean O'Donnell

### *Executive Vice-President, Strategy and Corporate Development and Chief Financial Officer*

As Executive Vice-President, Strategy and Corporate Development and Chief Financial Officer (CFO), Mr. O'Donnell is responsible for financial reporting, taxation, finance, treasury, risk management, investor relations, sustainability, corporate strategy and corporate development for TC Energy.

Mr. O'Donnell joined the Company in November 2023 as Senior Vice-President, Capital Markets and Corporate Planning where he led the finance, corporate planning and evaluations functions within the CFO group.

Prior to joining TC Energy, Mr. O'Donnell served as an Operating Partner of Quantum Capital Group, a leading energy-focused private equity firm. During his 13 years at Quantum, he served on the firm's Investment Committee and on the Board of Directors of over a dozen Quantum portfolio companies in the upstream, midstream, conventional and renewable power, and energy transition sectors. He also served as the Chief Financial Officer of two Quantum portfolio companies in the power and midstream industries. Before joining Quantum, he was a Managing Director in the Power & Utility investment banking group at J.P. Morgan.

Mr. O'Donnell holds a Bachelor of Science degree in Civil Engineering from The Catholic University of America and an MBA from The Wharton School at the University of Pennsylvania. He served as an officer in the U.S. Navy from 1994-1998.

## TC ENERGY

We're a team of 6,500+ energy problem solvers connecting the world to the energy it needs. Our extensive network of natural gas infrastructure assets is one-of-a-kind. We seamlessly move, generate and store energy and deliver it to where it is needed most, to homes and businesses in North America and across the globe through LNG exports. Our natural gas assets are complemented by our strategic ownership and low-risk investments in power generation.

TC Energy's common shares trade on the Toronto (TSX) and New York (NYSE) stock exchanges under the symbol TRP. To learn more, visit us at [TCEnergy.com](https://www.tcenenergy.com).
