**IN THE INTEREST OF HAVING A FAIR AND PRODUCTIVE MEETING,
WE ASK FOR YOUR COOPERATION IN OBSERVING THE FOLLOWING RULES OF CONDUCT:**

BUSINESS OF THE MEETING

The business matters to be conducted at the Meeting are set forth in the Circular. We will strictly follow the agenda of the Meeting.

VOTING

Only registered shareholders at the close of business on March 21, 2025 and duly appointed proxyholders (including beneficial shareholders who have duly appointed themselves as proxyholders), will be entitled to vote via the live webcast at the appropriate times during the Meeting if they have not done so in advance.

To vote, please log in to the webcast by entering the 15-digit control number indicated on your proxy form, in the case of registered shareholders, or entering the username as provided to you, in the case of proxyholders. If you have voted your shares prior to the Meeting, your vote has been received by TC Energy's scrutineers and there is no need to vote those shares during the Meeting, unless you wish to revoke or change your vote.

QUESTIONS

As this is a shareholders' meeting, only shareholders and duly appointed proxyholders will be entitled to submit questions at the Meeting.

It is recommended that shareholders and duly appointed proxyholders submit their questions as soon as possible during the Meeting so they can be addressed at the appropriate time.

Subject to these Rules of Conduct, we will make every effort to answer questions relating to matters to be voted on before a vote is held on each matter, if applicable.

General questions will be addressed at the end of the Meeting during the question period.

If a shareholder has a question, such question may be submitted in writing via the Messaging icon provided in the webcast portal, or to ask a verbal question, click on the "Request to Speak" button, select the appropriate microphone and speaker inputs and click the green check button.

Questions may also have been submitted in advance of the Meeting by emailing investor_relations@tcenergy.com.

In order to answer as many questions as possible, shareholders and duly appointed proxyholders are asked to be brief and concise and to address only one topic per question.

We are committed to transparent communication at our annual meeting. Questions asked at the meeting will not be curated and will be answered in the order received for each item of business, or, if the question is more general in nature, will be answered by the CEO following his presentation.

CHAIR DISCRETION

The Chair of the Meeting reserves the right to refuse questions he deems irrelevant to the business of the meeting or otherwise inappropriate. The Chair has broad authority to conduct the Meeting in a manner that is fair to all shareholders and may exercise discretion in the order in which questions are asked and the amount of time devoted to any one question.

RECORDING OF THE MEETING

A recording of the webcast will be available on TC Energy's website following of the Meeting. Any other recording of the Meeting is prohibited.

Thank you for your cooperation and for joining TC Energy at the Meeting.
