

A woman with curly hair and a young girl are sitting at a wooden dining table in a bright, modern kitchen. They are looking at a laptop together. The table is set with various items including a bowl of fruit (bananas, oranges), a bowl of mixed vegetables, a bowl of yellow dip, and some fresh herbs. In the background, there is a large window with a view of a green landscape, a white door, and a refrigerator with a calendar and notes on it. A blue semi-transparent banner is overlaid on the left side of the image, containing text and the TC Energy logo.

About our name change.

TC Energy

In May 2019, we changed our name from TransCanada to TC Energy to better reflect the scope of our operations and to reinforce our position as a leading North American energy infrastructure company.

Our new name TC Energy acknowledges TransCanada's proud history developing the energy infrastructure that millions of North Americans rely on every day, while it more clearly articulates the geography and diversity of our complete business – pipelines, power generation and natural gas storage operations in Canada, the U.S. and Mexico.

Whether you know us as TC Energy in English, TC Énergie in French or TC Energía in Spanish, the communities where we operate can continue to count on us to follow through on our commitments and live up to our core values of safety, responsibility, collaboration and integrity in everything we do.
