Notice of Public Hearing and Application to Participate NGTL's Application to Vary the Certificate and Order for the North Montney Mainline Project

The National Energy Board (NEB), has received an application from NOVA Gas Transmission Ltd. (NGTL) for a variance to the Certificate and Order for the North Montney Mainline Project to allow gas to flow east through the NOVA Inventory Transfer (NIT) hub. NGTL also requested an extension to the sunset clauses included in the Certificate and Order; approval to construct seven additional meter stations; and approval to make minor changes to the facilities approved in the Certificate.

Participating in this Hearing

The NEB will hold a public hearing for NGTL's Application to Vary the Certificate and Order for the North Montney Mainline Project (MH-031-2017). The Board has established a specific List of Issues (available on our website).

There are typically two ways you can participate in a hearing:

- **Commenter** - share your views on the project with the NEB in a written Letter of Comment.
- **Intervenor** - ask questions, present evidence, answer questions about your evidence, and give a final argument. Intervenor may be eligible for participant funding. Learn more at www.neb-one.gc.ca/pfp.

The Application to Participate form will be posted at www.neb-one.gc.ca/applytoparticipate starting 15 September 2017. The deadline for applying or registering is noon, 13 October 2017. The NEB will review each application and will inform everyone who applied whether or not they will be allowed to participate and how.
