Marketlink will financially settle losses exceeding 0.2% of Receipts into the Interconnection Facility, on an annual basis. In addition, shippers will be subject to financial settlement to clear positions at the Marketlink Interconnection Facility.

4) The "Marketlink Interconnection Facility" means the interconnection facilities (including operational tankage) connecting the Marketlink Pipeline System and Zydeco Pipeline System at Houston, Texas.

In addition to Zydeco Pipeline Company LLC's F.E.R.C. No. 1.3.0, Rule 75. Apportionment When Nominations are in Excess of Facilities

During any month for which the Carrier determines that the available monthly capacity of any line segment or segments is insufficient to transport the full volume of Petroleum Nominated by all Shippers, the Carrier will apportion the available monthly capacity as follows.

(i) Each Contract Shipper will be allocated the lesser of its Nominated Committed Volume or its actual Nomination for the month; however, if capacity were to be reduced, Contract Shippers' allocations would be reduced in proportion to their respective Committed Volumes. The sum of Contract Shipper's volumes allocated pursuant to this subsection (i) shall not exceed 90% of the total available monthly capacity in any given month.

(ii) All available monthly capacity remaining after the step(s) set forth in subsection (i) will be apportioned among all other Nominations in accordance with the provisions of Zydeco Pipeline Company LLC's F.E.R.C. No. 1.3.0, Rule 75. Apportionment When Nominations are in Excess of Facilities, including Contract Shippers' Nominations in excess of the volumes allocated to them as provided in subsection (i) above; however, with respect to allocation under this subsection (ii), Contract Shippers' past volumes transported under the allocation established in subsection (i) will not be considered in determining such Contract Shippers' status or volume history as a "Regular Shipper."

"Committed Volume" means Shipper's Barrels per day volume commitment set forth in its TSA;

"Contract Shippers" means Shippers that have entered into TSAs; and

"TSA" means a transportation services agreement executed by a Contract Shipper with Carrier with respect to an Open Season for service and rates subject to Zydeco Pipeline Company LLC's Tariff F.E.R.C. No. 10.10.0 or successive issues thereof.

However, the Houma to St. James segment of this line which effects route 02 (Cushing, OK to St. James, LA) will be apportioned in accordance with the provisions of Zydeco Pipeline Company LLC's F.E.R.C. No. 1.3.0, Rule 75. Apportionment When Nominations are in Excess of Facilities.
