

# Table of alignment with the TCFD recommendations

The relationship between TC Energy's sustainability reporting and the Recommendations of the Task Force on Climate-Related Financial Disclosures Final Report (June 2017) is shown below in a concordance table.

Additional information is also available in our [Report on Sustainability](#), [Annual Report](#), [Management Information Circular](#), [Annual Information Form](#) and on our [website](#).

Topic and Recommended Content	Select TC Energy Material
<b>Governance</b>	
Describe the board's oversight of climate-related risks and opportunities	<b>ESG Data Sheet:</b> <a href="#">TCFD Governance</a>
Describe management's role in assessing and managing climate-related risks and opportunities	<b>Report on Sustainability:</b> <ul style="list-style-type: none"> <li>To further integrate sustainability into our <a href="#">strategy</a>, management decision-making and performance tracking and assessment</li> <li>To contribute to global efforts to reduce <a href="#">climate change</a>, including setting GHG emission reduction targets</li> </ul>
<b>Strategy</b>	
Describe the climate-related risks and opportunities the organization has identified over the short, medium and long-term	<b>ESG Data Sheet:</b> <a href="#">TCFD Strategy</a>
Describe the impact of climate-related risks and opportunities on the organization's businesses, strategy and financial planning	<b>Report on Sustainability:</b> <ul style="list-style-type: none"> <li>To further integrate sustainability into our <a href="#">strategy</a>, management decision-making and performance tracking and assessment</li> <li>To contribute to global efforts to reduce <a href="#">climate change</a>, including setting GHG emission reduction targets</li> </ul>
Describe the resilience of the organization's strategy, taking into consideration different climate-related scenarios, include a 2°C or lower scenario	
<b>Risk management</b>	
Describe the organization's processes for identifying and assessing climate-related risks	<b>ESG Data Sheet:</b> <a href="#">TCFD Risk management</a>
Describe the organization's processes for managing climate-related risks	<b>Report on Sustainability:</b> <ul style="list-style-type: none"> <li>To further integrate sustainability into our <a href="#">strategy</a>, management decision-making and performance tracking and assessment</li> <li>To contribute to global efforts to reduce <a href="#">climate change</a>, including setting GHG emission reduction targets</li> </ul>
Describe the organization's processes for managing climate-related risks
