

Add some colour to the image above and share your creations with us! Post a picture of your completed colouring sheet on social media and tag us @TCEnergy to help raise awareness about the importance of clicking or calling before you dig!

Did you know that youth from not-for-profit organizations such as 4-H and Girl Guides can earn a \$1,000 reward for their organization by conducting safe digging practices? Visit **www.youthenergysafe.com** to learn more about our Youth Energy Safe awards and access the application form.
